23 On September 26, 2007, the parties appeared before the Court for a Further Status
24 Conference, represented that both parties were still reviewing discovery, and requested a further
25 date for Status / Trial date. Since the last appearance, the parties have met to discuss pre-trial
26 disposition for both defendants and continue to work towards that end. The parties now
27 represent that a two week continuance for the Status / Trial date will afford the parties the
28 necessary time to exchange pertinent materials and continue discussions concerning pre-trial
disposition prior to appearing before the Court. To afford counsel time to engage in meaningful
review of materials and discussion, the parties stipulate that time should be excluded from

For the foregoing reasons, this matter is continued until November 14, 2007 at 2:30 p.m.

Pursuant to the Speedy Trial Act, Title 18 United States Code, sections 3161(h)(8)(A) and 3161(h)(8)(B)(iv), the ends of justice are served by granting the requested continuance, given that failure to do so would deny counsel for the Government reasonable time for effective preparation, taking into account the exercise of due diligence.
